

Hello Church!

On Sunday we talked about having 35 days of Intentionality between now and Easter. Although we do not traditionally participate in Lent, I think it is important to have a season of preparation leading up to Easter. We put together a set of daily, weekly, and monthly practices to participate in together as a church community. Don't feel like you have to do all of this, but we hope this is a helpful paradigm to help draw your attention towards God and his mission leading up to Easter.

- Albie Powers, Lead Pastor

Daily

- Pray for OIKOS. This is your friends, family, neighbors, and co-workers that don't know Jesus. Pray for wisdom and boldness with them (Ephesians 6:19-20)
- Set an alert or a timer on your phone for 10:02 as a reminder to pray for more laborers for the harvest.
- Read 1 chapter a day of Luke a day to get your mind saturated in the story of Jesus.
- Pray using our new 30 minute prayer wheel.

Weekly

- Come for guided prayer at the church building on **Thursdays 7 am | 9 am | Noon | 4 pm**
- Fast 1 day from dinner to dinner and pray for God to grow your hunger for him.

Monthly

- Come to the night of worship on Thursday, March 14th
- Take at least 1 tangible risk for the sake of the Gospel.
- Read through the Gospel of Luke 2-3 times.
